Storage

~~Annual~~ Grant Request

1. Currently PTA storage is chaos. Buying sturdy bins and labeling the contents will save PTA volunteers lots of time and effort with organizing events and fundraisers. By using volunteer time more effectively, PTA can do even more to make Mountain great for all students.
2. Once storage bins are purchased I will organize some days to have volunteers help go through the basement storage and get everything sorted. We have things in the basement that we aren't even aware of since lots of things are buried and hidden.
3. Below are screen shots of the total cost of 20 storage bins.
