

Mountain PTA Educational Grant Policy:

The approved PTA Budget authorizes money for Educational Grants to teachers, staff, students and Mountain parents. Grants must be approved prior to reimbursement request. Most grants must be approved at a regular PTA meeting, so please keep this timing in mind. Grant requests in excess of \$500 will require an amendment to the annual budget and will need to be approved by the PTA general membership.

Art Display Grids for Art Show Grant Request

1. Purchasing these display boards will allow for a school wide art show so that more students' work can be publicly displayed. Currently only a small portion of students are able to have their work displayed in the district show. Purchasing a display grid for each grade will allow for all students to have their art on display at a show sometime during the school year.
2. The display grids will be delivered in time to have a small scale display of art before the end of this year as a trial run before a full scale art show in the 22-23 school year.
3. \$163.95 per 3 piece display. Ms. Ross requested one for each grade. PreK-6 means 8 displays with a total of \$1311.60 plus tax.
Below are screenshots from Amazon where the displays will be ordered showing total costs.
4. These display racks will be used for many years. As a former art teacher I can say with certainty that having their art displayed in a real art show can change students in big ways. When their work is displayed in a "professional" way, kids feel empowered. It lets them know their work is valued.
