Dear PTOs/PTA

The five elementary PE teachers with the support of their Principals are asking the PTOs and PTA for funding for a program called EZ scan. EZ scan is a program which helps us with our running clubs at our schools. We have had this program for a year and have been working on getting it implemented at all our schools. We currently have three of our schools fully implementing this program. We will work towards getting the other two implementing it this school year. We have been given credit from EZ Scan for time not used at the end of school last year. This program was funded by the Los Alamos Heart Council last year.

We have been given a 40% discount on our renewal if we renew now. Total cost for all five elementary schools will be $539.85. This is a cost of $107.97 for each school's PTO/PTA. If we can get each PTO/PTA to write checks payable to LAPS, we can write one check to EZ scan.

Please make checks to:
LAPS $107.97
