

SPACE RACE

MOUNTAIN ELEMENTARY FUNd RUN 2017

SPONSOR LETTER

Dear _____,

Hello! I will be participating in Mountain Elementary's 9th annual FUNd Run on September 27th. This year we are having a Space Race and my goal is to run or walk _____ orbits around the Urban Park track. At Urban Park, 5 laps (orbits) = 1 mile.

I hope you can sponsor me to help raise money for my school. Mountain School PTA uses these donations for educational grants, tutoring services, teacher classroom allowances, family reading and math nights, plus so much more. Our PTA will continue to fund transportation for field trips for every grade because budget constraints have limited our field trip funding. Excitingly, this year we are also raising money to replace Mountain's aging water fountains with bottle filling stations.

Here's the best part of the FUNd Run, once our donations are collected we will have a fun day exercising outdoors! On the morning of September 27th, all Mountain students and teachers will run or walk at the track near our school. There will be space costumes, music, parents and volunteers cheering us on - it will be out of this world!

I hope you can support our Space Race! Your donation is tax deductible. Mountain School PTA is a 501(c)3 organization.

There are three easy options for donating:

1. Donate online by visiting www.mountainpta.org and clicking on the donate link.
2. Mail a check to Mountain School PTA (2280 North Road, Los Alamos, NM 87544).
3. Return your donation to school with the student you are sponsoring.

Thank you for your help!

Sincerely,

FUNd Run Donation Sheet

My Name: _____ Student I am sponsoring: _____

I am enclosing a donation of:

\$50 _____ \$40 _____ \$30 _____ \$20 _____ \$10 _____ Other (please specify amount) _____

Please return donation sheet by September 27. Make checks payable to Mountain Elementary PTA. Thank you!
