## PTA Educational Grant Request – Third Grade STAR Binders for 2023-2024

Traditionally third grade teachers have provided each third grader with a STAR (Student Taking Academic Responsibility) binder. The purpose of the binder is to help students stay organized by having a place to write homework and project assignments and other important dates, pockets to store homework and papers to take home, and a convenient way to do homework on the go when necessary. The STAR binder helps students be more responsible and build organizational skills.

The PTA generously paid for the binders through an educational grant for the last several school years.
