We need to remind teachers how much Mad Money they have and remind them that we have grant money to use.

Lissie would like to add a line item to the budget for sugarless gum and other treats for students during testing. Megan would like to buy t-shirts for the student council members. Spruce Up Mountain Day will be in May.

Megan has assembled a slide show about our school for the upcoming board meeting and she shared it during our meeting. It highlights Mountain's community, focus on family, and diversity. Goals listed include students' academic success, students feeling connected and involved, and students participate in community service projects.

The student council is going well and there is lots of participation. Megan would like to get them t-shirts. Lissie proposed moving some money from a line item that no longer exists so that we can fund that.
