PTA Meeting Minutes

Meeting Called to Order at 12:16pm

Approval of October Meeting Minutes: Olivia moves to approve, Lissie seconds, approved.

## **President's Report**

### **School Store**

We would like to open the store more often - maybe monthly or twice a month. We need two volunteers each time the store is open. If you're interested in volunteering, please let a PTA officer know

Shirts - New shirts are in. They are softer fabric and we have men's, women's, and kid's sizes.

Stickers - We have 150 new stickers. The stickers cost less than \$1 and can be sold for \$3 or \$4. We have stickers for parents and kids.

### **Treasurer's Report** (Given by Lissie because Christina couldn't come)

The current budget report is not accurate because there was carnival money in PayPal that wasn't taken into account. Also, a few people still need to be reimbursed for Carnival and FUNdRun. We will get it fixed and posted on the website ASAP.

### **Membership Report**

There are currently 33 PTA members. (That's one more than last month.)

### **Principal's Report**

Ms. Lynne was invited but isn't here to give a principal's report

### **Old Business**

### **Book Fair Report**

The Book Fair was awesome. Thank you to all of the volunteers who helped! Sales went well. We need to choose if we would like to receive cash, scholastic dollars or half and half. Scholastic dollars give us more money, but it must be used in the Scholastic store. We're not sure how much we will use that way. Lissie suggests half and half so that we can try out scholastic dollars and see if it's something we can use. Liz agrees and suggests giving some of the scholastic dollars to Mrs. Pittman to buy library books. Lissie moves to select half cash and half scholastic dollars with the intention of giving some Scholastic dollars to Mrs. Pittman. Liz seconds, motion approved.

## **Carnival Report**

The Carnival was a huge success, but due to some miscommunication the volunteer situation was stressful. We made it through, but barely had enough volunteers and most didn't show up until the carnival was starting. There are things we will do differently next year and we are open to suggestions from PTA members. We will send a parent and staff survey for feedback as well. If anyone has thoughts about questions we should put on the survey, please email them to [officers@mountainpta.org](mailto:officers@mountainpta.org).

## **New Business**

### **Grant Requests**

There were no requests this month. Next month Liz will submit a grant requests to replace the staff lounge refrigerator.

### **Carnival/FUNdRun Survey**

See above notes in Carnival Report.

### **Reading Night Parent Coordinator**

We want to start math and reading nights back up this year. We are looking for a parent coordinator to help the teachers plan this and lighten their load. Olivia may be interested depending on timing.

### **Teacher Winter Wishlists**

We want to compile a list of teachers' Amazon wishlists for the holidays so that parents can purchase things for the teachers that will be useful for the classrooms. Liz volunteered to compile the wishlists and email them to Chelsie who will post them on the website. We will also try to post a QR code on the PTA bulletin board. We will also post a link to the lists on Facebook and try to get it into the parent newsletter.

## **Announcements/Other**

Liz has two items left over from the silent auction. There's a car wash bucket as well as a 'Welcome' yard sign. The bucket should have gone for \$18 and the 'Welcome' sign should have gone for \$10. Both were purchased by members present.

Meeting adjourned at 12:35.

### **Members Present:**

April Lucero  
Jessie Lo  
Olivia Dong  
Liz Daly  
Ali Hansell  
Lissie Ham  
Chelsie Wilson
