

PTA Member Meeting, September 14th.

Call to order by Esther Schimdt at 7:03pm

Karen Morris would like to begin by reminding attendees that they must be paid members to vote on any issues before the PTA. Join here: <https://mountainpta.new.memberhub.store/store>

Lisse Ham moves to approve minutes from May meeting. Liz Daley seconds. Approved.

Budget Discussion (can be viewed online: <http://www.mountainpta.org/meetings>)

.Mad Money remains constant at \$250 per classroom teacher/staff. This includes the new preschool teachers.

.Tutoring has been listed in past years at \$5000. Resetting it to \$1000 as we have not spent anywhere close to \$5k in the last few years. Ramey Sallaz inquired if we could increase it later in needed. Yes, would just need a procedural vote.

.move \$300 to 3rd grade, as they have nothing listed for grade level line items.

.Mr Hinojosa asked if the funding remained in place for clubs? Yes, \$50 for each club. We cannot play favorites by allocating one club more money than another.

Lissie moves to approve the budget, with the \$300 moved to 3rd grade. Mhairi seconds. Approved.

Liz Daley would like to thank Natalie for a very smooth transition and handover on the treasurer materials.
